### **Q.HELP**

*[underlined text added at W3 – July 2006]*

R: “What is this survey about?”

I: “This is an ongoing study that will survey both recent smokers and non-smokers across Ontario. We will ask you questions about what you think, what you feel and your experiences related to tobacco use and second-hand smoke.”

IF RESPONDENT CONTINUES TO INQUIRE, INTERVIEWER TO RESPOND:

“I HAVE BEEN GIVEN SOME EXAMPLE QUESTIONS TO PROVIDE YOU, THESE ARE:”

“In the past 30 days, have you been inside a restaurant where other people were smoking around you?” AND for smokers “Are you thinking about quitting in the next 6 months?”

R: “How much” (for reimbursement)

I: “There will be an honorarium of \$15 for an interview of up to 25 minutes”

R: “Is that a tobacco company?” [referring to OTRU]

I: “No, the Ontario Tobacco Research Unit is not a tobacco company.” And continue with response below for “WHAT IS OTRU?”

R: “What is OTRU?”

I: “The Ontario Tobacco Research Unit is an academic research network at the University of Toronto and University of Waterloo. The Unit conducts tobacco research on smoking behaviours and second-hand smoke in order to identify factors that might help reduce tobacco-related illness and death in Ontario.”

R: “I am not a smoker/recent smoker”

*[New at W3 - July 2006]*

I: “We are interested in speaking with all eligible respondents who have smoked even just one cigarette in the past 6 months”
