SURVEY NOMENCLATURE, DEFINITIONS AND MICRODATA CODING

Survey Nomenclature

- MDS: Minimal Data Set; the MDS surveys apply to F4, F5, and F6 and represent the minimal questions for tracking purposes
- C: Cohort number, which also defines recruitment date (see OTS Technical Reports); e.g. C1 = Cohort 1, C2 = Cohort 2,...C6 = Cohort 6
- BL: Refers to the baseline survey
- F#: Follow-up number (e.g. F4 = Follow-up 4; F5 = Follow-up 5; F6 = Follow-up 6)
- VAR_X: Variables in this document are shown as X which represents the follow-up surveys for a given wave. In the MDS, X can have the values of 4-6:
X = 4 for the F4 questionnaire;
= 5 for the F5 questionnaire; or
= 6 for the F6 questionnaire.
- VAR_(X-1): Refers to the response to this variable during the respondent's previous interview

This W10 document represents the following surveys:
F4C6 – Follow-up 4 Questionnaire for Cohort 6
F5C5 – Follow-up 5 Questionnaire for Cohort 5
F6C4 – Follow-up 6 Questionnaire for Cohort 4

[MDS was produced in W5 and entered into data collection in Jan 2008 – W6; the MDS will function as F4, F5 and F6 surveys for cohorts 2 -6 (note cohort 1 data collection ends with F3 as the MDS was not incorporated into the study design before these participants were completing their original follow-up commitment)]. Some of the scripts in the MDS have been modified accordingly (e.g. consent).]

Hello [RESPONDENT FIRSTNAME]. My name is _____ and I am calling on behalf of the Ontario Tobacco Research Unit, an ACADEMIC research network at the University of Waterloo and University of Toronto.

If respondent completed interview 6 months ago (i.e. contact during previous wave), show:

About six months ago, you completed a follow-up survey of recent smokers in Ontario, and you agreed to be contacted for additional follow-up surveys. This survey should take less than 10 minutes.

If respondent did NOT complete their interview 6 months ago, (i.e. no contact during previous wave), show:

About a year ago, you completed a survey of recent smokers in Ontario, and you agreed to take part in several follow-up surveys. We are extending the number of follow-up interviews in order to better understand changes over time in attitudes, behaviours and beliefs related to smoking. Q.HELP

R: “What is this survey about?”

I: "This is an ongoing study that will survey both recent smokers and non-smokers across Ontario. We will ask you questions about what you think, what you feel and your experiences related to tobacco use and second-hand smoke."

R: “What is OTRU?”

I: “The Ontario Tobacco Research Unit is not a tobacco company; it is an academic research network at the University of Toronto and University of Waterloo. The Unit conducts tobacco research on smoking behaviours and second-hand smoke in order to identify factors that might help reduce tobacco-related illness and death in Ontario.”

[deleted “I am not a smoker/recent smoker” from F.UP surveys at W5 to provide sufficient room for more important HELP info – this info provided at interviewer stations]

[New for third follow-up – July 2006; revised W5 July 2007 and slightly modified W6, Jan '08 and W7 – July 2008]

For C4 in Wave 7 ONLY

R: How many follow-up interviews / How much for reimbursement?

“We are extending the number of follow-up interviews in order to better understand changes over time in attitudes, behaviours and beliefs related to smoking. This is your third detailed follow-up interview; at the end of this survey we will ask if we can contact you again for additional follow-up interviews. There will be up to 3 additional interviews occurring in 6-month intervals in which you may participate. Each will only take 10-15 minutes and you will continue to receive a \$15 cheque for each survey in which you participate.”

[New for W6 – Jan 2008; modified coverage in W7 – July 2008]

All other cohorts:

R: We will try to contact you every 6 months for 6 follow-up interviews that will range from 10-20 minutes. This is your ___ follow-up interview. Your participation in each interview is voluntary and you will continue to receive a \$15 cheque for each interview you complete.
