

Smoking Cessation

(Please note: for **Youth Cessation** see **Youth Reading List**)

This reading list is a brief selection of journal articles, online reports and other web-based material on the topic of *Smoking Cessation*. Its purpose is to provide readers with an introduction to an overview of available literature on the topic. Listing a reference in no way implies an endorsement over other published research in this area. For a wider selection on this topic please click on the icon below to search our library catalogue:
