“Smoke-Free Housing Canada is a national website dedicated to educating landlords, tenants and condominium owners on the issue of second-hand smoke in multi-unit dwellings. The Canadian Smoke-Free Housing Coalition helps to maintain and provide guidance on this site.”

## Smoke Free Housing Ontario.

*Smoke-free Housing Ontario* is about helping to increase options for smoke-free living. Demand for smoke-free environments is on the rise. Ontarians are protected from second hand smoke in virtually all enclosed workplaces and public places, yet many remain unwillingly exposed in their own homes from neighbouring units.
